

A Litany for Ukraine

Leader: Oh God of Love...the people of Ukraine are crying out for help.

People: Lord hear their cry.

Leader: Oh God of Hope...the people of Ukraine are longing for war to cease and violence to find an end.

People: Lord hear their longing.

Leader: Oh God of Mercy...the people of Ukraine are pleading for suffering and pain to go away.

People: Lord hear their plea.

Leader: Oh God of Peace...the people of Ukraine are praying for Your light to push away the darkness.

People: Lord hear their prayer. And on this Day of Prayer for Ukraine, may all people of Faith raise their voices in solidarity with the people of Ukraine and in praise to You Oh God of Love, Hope, Mercy and Peace.
