## Our Film Content Rating Guide

Our unscientific assessment of the content of a film in regards to Violence (V), Language (L), and Sex/Nudity is measured on a scale from 0 (None) to 10 (Highest). It is intended to give viewers some idea as to why a film is rated R, PG-13, PG, or G, but I do not count the number of bullets fired or limbs cut off, naughty words, nor do I measure the acreage of exposed skin.
